### Turkish Trainees of Obstetrics and Gynecology (TTOG)

A new organization called **Turkish Trainees of Obstetrics and Gynecologists (TTOG)** has been established in last national meeting of Turkish Society of Obstetrics and Gynecology (TJOD) in last summer. TTOG will be the organization and voice of ob&gyn trainees and young ob&gyn specialists and there will be a close relationship with TJOD and other professional ob&gyn societies. Main aims of TTOG can be summarized as below;

- To improve and standardize the quality of Ob&Gyn training in Turkey.
- To collaborate of European Network of Trainees in Obstetrics and Gynaecology (ENTOG)
- To organize national and international Exchange programs, and educational meetings for the trainees.

As an organization of trainees and young ob&gyn specialists, TTOG will be an active member of European

Network of Trainees in Obstetrics and Gynaecology (ENTOG). ENTOG is a non-governmental, independent and non-profit association of all European ob&gyn trainees. Aims of ENTOG can be summarized as;

- To achieve a better understanding of training in gynaecology-obstetrics in different European countries, thus helping to ensure a comparable standard of training
- To promote the creation of national committees or networks of trainees in all European countries
- To collaborate with EBCOG in developing the recommendation of the training standards and the means of maintaining those standards
- To facilitate the exchange of trainees and young gynaecologists/obstetricians between training centres throughout Europe to harmonise and improve the quality of training

More information about the ENTOG and Exchange programs can be found in [www.entog.org](http://www.entog.org)

As a founding members of TTOG, this year we will refer 2 Turkish trainees for the Exchange program of ENTOG which will be held in Copenhagen, Denmark in **November, 2006**. TTOG will be continue to collaborate with ENTOG and other national and international ob&gyn societies.

Please do not hesitate to contact us for further information and we are waiting for the application of the all trainees and young ob&gyn speacilist for the membership and Exchange program of ENTOG.
